

# Cinema voucher

Take a Chlamydia test and get a free cinema voucher!

Chlamydia is the most common Sexually Transmitted Infection: **sexually active people may have it without showing any symptoms.** It's easily treated with antibiotics, but if left untreated can lead to infertility in both men and women. Taking a test is both easy and completely private - turn over to find out how - and you'll be enjoying a **free** trip to the movies!

**Chlamydia**  
worth talking about

If you're aged 16-24 and you complete and return  
a test between **1 July and 30 September 2010**  
you'll receive a free cinema voucher.

Request a Chlamydia test: text **SCREEN** to **84010**  
with your name, address, age and sex,  
or go to [www.freetest.me](http://www.freetest.me)  
Include your mobile number so we can text you  
the free voucher code.

Offer limited to **one** cinema voucher per person and applies to **Cambridgeshire residents only**.  
For full terms and conditions see the website.  
You will need a debit card to redeem your voucher code  
but no money will be taken from your card.
