

Cinema voucher

Take a Chlamydia test
and get a cinema voucher!

Chlamydia is the most common Sexually Transmitted Infection: **sexually active people may have it without showing any symptoms.** It's easily treated with antibiotics, but if left untreated can lead to infertility in both men and women. Taking a test is both easy and completely private - and you'll be enjoying a **free** trip to the movies!

If you're aged 16 to 24-year-old and complete and return a test between **1 July and 30 September 2010** you'll receive a **free** cinema voucher.

Request a test by texting **SCREEN** to **84010** with your name, address, age and sex, or go to **www.freetest.me**. Include your mobile number so we can text you the free voucher code.

Offer limited to **one** cinema voucher per person and applies to **Cambridgeshire residents only.**

(For full terms and conditions see the website)
You will need a debit card to redeem your voucher code but no money will be taken from your card.
